

GOVERNMENT OF ODISHA

SKILL DEVELOPMENT AND TECHNICAL EDUCATION DEPARTMENT

No. SDTE-HTE-HTE-I-0010-2022 3803 /SDTE, BBSR, dated 03/08/2022

From

Smt. Rojina Das, OAS

Joint Secretary to Government

To

The Registrar, BPUT, Odisha, Rourkela

Sub: Affiliation to the Technical / Professional institutions of the State

Sir,

I am directed to invite a reference to the above noted subject and this Department letter No. 949 dated 04.03.2021 and to say that the following Technical / Professional institutions of the State have submitted their proposals for affiliation by the University i.e. BPUT, Rourkela after obtaining Extension of Approval from AICTE, New Delhi(copy enclosed).

1. **Oxford College of Management, Bhubaneswar** (AICTE Approval Letter No. Eastern/1-10969944447/2022/EOA dated 03.06.2022)

- MBA with 180 seats (against 180 seats of intake approved for 2021-22)

2. **Oxford College of Engineering & Management (OCEM), Bhubaneswar** (AICTE Approval Letter No. Eastern/1-10974847264/2022/EOA dated 03.06.2022)

- B. Tech. (Civil Engineering) with 120 seats (against 120 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Electrical and Electronics Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Electrical Engineering) with 120 seats (against 120 seats of intake approved for 2021-22)
- B. Tech. (Electronics and Telecommunication Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Mechanical Engineering) with 120 seats (against 120 seats of intake approved for 2021-22)

approved for 2021-22)

3. **Sophitorium Engineering College (SEC), Bhubaneswar** (AICTE Approval Letter No. Eastern/1-10967922577/2022/EOA dated 06.06.2022)

- B. Tech. (Civil Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Electrical Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Electronics and Communication Engineering) with 120 seats (against 120 seats of intake approved for 2021-22)
- B. Tech. (Mechanical Engineering) with 120 seats (against 120 seats of intake approved for 2021-22)

4. **Bhubaneswar Engineering College, Bhubaneswar** (AICTE Approval Letter No. Eastern/1-10981184029/2022/EOA dated 03.07.2022)

- B. Tech. (Aeronautical Engineering) with 30 seats (against 30 seats of intake approved for 2021-22)
- B. Tech. (Agriculture Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Aircraft Maintenance Engineering) with 30 seats (against 30 seats of intake approved for 2021-22)
- B. Tech. (Civil and Environmental Engineering) with 30 seats (against 30 seats of intake approved for 2021-22)
- B. Tech. (Civil Engineering) with 30 seats (against 30 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering(Data Science) with 30 seats (against 30 seats of intake approved for 2021-22)
- B. Tech. (Electrical and Computer Engineering) with 30 seats (against 30 seats of intake approved for 2021-22)
- B. Tech. (Electrical Engineering) with 30 seats (against 30 seats of intake approved for 2021-22)
- B. Tech. (Food Engineering and Technology) with 30 seats (against 30 seats of intake approved for 2021-22)

- B. Tech. (Mechanical and Mechatronics Engineering(Additive Manufacturing) with 30 seats (against 30 seats of intake approved for 2021-22)
- B. Tech. (Mechanical Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- MBA with 120 seats (against 120 seats of intake approved for 2021-22)

5. **Gandhi Engineering College (GEC), Bhubaneswar** (AICTE Approval Letter No. Eastern/1-10968365122/2022/EOA dated 07.07.2022)

- B. Tech. (Civil Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering) with 180 seats (against 180 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering(AI&ML) with 180 seats (against 180 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering(Data Science) with 120 seats (newly introduced)
- B. Tech. (Electrical and Computer Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Electronics and Communication Engineering) with 30 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Electronics and Computer Engineering) with 30 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Mechanical Engineering) with 60 seats (against 120 seats of intake approved for 2021-22)
- M. Tech. (Artificial Intelligence and Machine Learning) with 18 seats (against 18 seats of intake approved for 2021-22)
- M. Tech. (Data Science) with 18 seats (against 18 seats of intake approved for 2021-22)
- M. Tech. (Electric Vehicle Technology) with 18 seats (against 18 seats of intake approved for 2021-22)
- M. Tech. (Structural Engineering) with 18 seats (against 18 seats of intake approved for 2021-22)
- M. Tech. (Artificial Intelligence and Robotics) with 18 seats (against 18 seats of intake approved for 2021-22)
- Master in Business Administration with 180 seats (against 180 seats of intake approved for 2021-22)

- MBA with 60 seats (against 60 seats of intake approved for 2021-22)
- MBA with 60 seats (against 60 seats of intake approved for 2021-22)
- MCA with 180 seats (newly introduced)

6. GITA Autonomous College, Bhubaneswar (AICTE Approval Letter No. Eastern/1-10968066852/2022/EOA dated 07.07.2022)

- B. Tech. (Civil Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering) with 180 seats (against 180 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering(Artificial Intelligence) with 120 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering(AI&ML) with 60 seats (newly introduced)
- B. Tech. (Computer Science & Engineering(Data Science) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering(IOT) with 60 seats (newly introduced)
- B. Tech. (Computer Science & Information Technology) with 120 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Technology) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Electrical and Electronics Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Electrical Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Electronics and Communication Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Mechanical Engineering) with 120 seats (against 120 seats of intake approved for 2021-22)
- M. Tech. (Power System Engineering) with 18 seats (against 18 seats of intake approved for 2021-22)
- M. Tech. (Thermal Engineering) with 18 seats (against 18 seats of intake approved for 2021-22)
- M. Tech. (Computer Science and Engineering) with 18 seats (against 18 seats of intake approved for 2021-22)

- M. Tech. (Production Engineering) with 18 seats (against 18 seats of intake approved for 2021-22)
- M. Tech. (Defence Technology) with 30 seats (against 30 seats of intake approved for 2021-22)
- MBA with 180 seats (against 180 seats of intake approved for 2021-22)
- MCA with 120 seats (against 120 seats of intake approved for 2021-22)

7. **Gandhi Institute For Technology (GIFT), Bhubaneswar** (AICTE Approval Letter No. Eastern/1-10973414043/2022/EOA dated 07.07.2022)

- B. Tech. (Agriculture Engineering) with 60 seats (against 120 seats of intake approved for 2021-22)
- B. Tech. (Civil Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering) with 180 seats (against 180 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering(Artificial Intelligence) with 120 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering(IOT) with 60 seats (newly introduced)
- B. Tech. (Electrical and Electronics Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Electronics and Communication Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Mechanical Engineering) with 60 seats (against 120 seats of intake approved for 2021-22)
- M. Tech. (Computer Science Engineering) with 18 seats (against 30 seats of intake approved for 2021-22)
- M. Tech. (Construction Technology and Management) with 30 seats (against 30 seats of intake approved for 2021-22)
- M. Tech. (Environmental Engineering) with 30 seats (against 30 seats of intake approved for 2021-22)
- M. Tech. (Industrial Safety and Engineering) with 30 seats (against 30 seats of intake approved for 2021-22)
- M. Tech. (Computer Science and Engineering(AI&ML) with 30 seats (against 30 seats of intake approved for 2021-22)
- M. Tech. (Production Engineering) with 18 seats (against 18 seats of intake approved for 2021-22)

approved for 2021-22)

- MBA with 180 seats (against 180 seats of intake approved for 2021-22)
- MBA (General Management) with 120 seats (against 120 seats of intake approved for 2021-22)
- MCA with 180 seats (against 180 seats of intake approved for 2021-22)

8. **Gandhi Institute For Excellent Technocrats, Bhubaneswar** (AICTE Approval Letter No. Eastern/1-10968398267/2022/EOA dated 07.07.2022)

- B. Tech. (Civil Engineering) with 60 seats (against 120 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering) with 180 seats (against 120 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering(Artificial Intelligence) with 60 seats (newly introduced)
- B. Tech. (Electrical and Electronics Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Electrical Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Electronics and Communication Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Mechanical Engineering) with 60 seats (against 120 seats of intake approved for 2021-22)
- MBA with 120 seats (against 120 seats of intake approved for 2021-22)
- MCA with 120 seats (newly introduced)

9. **Capital Engineering College, Bhubaneswar** (AICTE Approval Letter No. Eastern/1-10970228528/2022/EOA dated 07.07.2022)

- B. Tech. (Civil Engineering) with 120 seats (against 120 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Electrical and Electronics Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Electrical Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)

- B. Tech. (Mechanical Engineering) with 120 seats (against 120 seats of intake approved for 2021-22)
- Master in Computer Application with 120 seats (against 120 seats of intake approved for 2021-22)
- MBA with 180 seats (newly introduced)

10. **Capital Business School, Bhubaneswar** (AICTE Approval Letter No. Eastern/1-10968906458/2022/EOA dated 02.06.2022)

- MBA (General Management) with 180 seats (against 180 seats of intake approved for 2021-22)
- MBA (Marketing and Finance) with 60 seats (against 60 seats of intake approved for 2021-22)
- MBA (International Business) with 60 seats (against 60 seats of intake approved for 2021-22)

11. **Utkal Institute of Technology and Management (UITM), Bhubaneswar** (AICTE Approval Letter No. Eastern/2022-23/ 1-11308827281 dated 29.07.2022)

- MBA with 180 seats (new institution)
- MBA (Business Administration) with 120 seats (new institution)

12. **Astha School of Management, Bhubaneswar** (AICTE Approval Letter No. Eastern/1-10975136267/2022/EOA dated 02.06.2022)

- MBA with 180 seats (against 180 seats of intake approved for 2021-22)

13. **Nalanda Institute of Technology (NIT), Bhubaneswar** (AICTE Approval Letter No. Eastern/1-10969744736/2022/EOA dated 07.07.2022)

- B. Tech. (Civil Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Engineering) with 150 seats (against 185 seats of intake approved for 2021-22)
- B. Tech. (Computer Science & Technology) with 60 seats (newly introduced)
- B. Tech. (Electrical Engineering) with 60 seats (against 60 seats of intake approved for 2021-22)
- B. Tech. (Mechanical Engineering) with 90 seats (against 150 seats of intake approved for 2021-22)
- M. Tech. (Thermal Engineering) with 18 seats (against 18 seats of intake approved for 2021-22)

- M. Tech. (Computer Science and Engineering) with 18 seats (against 18 seats of intake approved for 2021-22)
- MBA (Marketing Management) with 120 seats (against 60 seats of intake approved for 2021-22)
- MBA (Finance Management) with 60 seats (against 60 seats of intake approved for 2021-22)
- MBA (HR Management) with 120 seats (against 60 seats of intake approved for 2021-22)
- MCA with 180 seats (newly introduced)

You are, therefore, requested to consider their proposals for affiliation as per Clauses 43 to 52 of the The First Statute-2006 of BPUT, Rourkela.

Yours faithfully,

Raj
